Band List:
 Sofia- Lead Vocals and Acoustic Guitar
 Pete- Electric Guitar
 Erik- Bass
 Sean- Drums

We have a 24 track patch bay/ splitter for our own wireless monitoring system and plug ins for FOH. All you need is to plug into our XLR patch bay with your inputs for FOH. WE WILL PROVIDE OUR OWN MICS, CABLES AND STANDS for stage use.

All inputs can be condensed into 16 tracks if need be.

We have our own light rigs that are pre programmed and synced with our backing tracks.

We will need power drops where indicated with the 120v icons.

Drums will have mics and samples that can be mixed or used as needed. (Channels 1-12)

Bass is just a DI and has a wireless receiver. (Channel 15)

Electric Guitar has a mic'ed cab with a pedal board and wireless receiver. (Channel 17)

Acoustic Guitar has a DI. (Channel 19)

Lead Vocals is a wireless SM58 (Channel 21)

We have backing tracks that will go to FOH (channel 23-34)
